## THIS IS THE MOMENT. THIS IS MARINTEC.

Marintec China 2025, the 22nd edition of Asia's leading maritime exhibition, returns to SNIEC, Shanghai from 2-5 December, bringing together the global maritime community for four days of innovation, collaboration, and strategic exchange. With over four decades of history, Marintec has become a cornerstone of the international maritime calendar. This year's theme, "Innovation and Collaboration for Maritime Sustainability," reflects the industry's shared commitment to building a smarter, greener future.

### Spotlight on Norway – Guest Country of Honour

We are proud to welcome Norway as the Guest Country of Honour. Renowned for its leadership in shipbuilding, maritime transport, and offshore energy, Norway brings world-class expertise and forward-thinking solutions to the global stage. Its participation will strengthen maritime cooperation between China and Norway and inspire new pathways for sustainable innovation across borders.

## THE FUTURE WON'T WAIT – REGISTER TODAY

Visitor registration for Marintec China 2025 is officially open, and this is your opportunity to secure your place at the heart of maritime innovation. As part of your registration, you'll gain access to the Marintec China 2025 Digital Directory, it is your gateway to the latest advancements and strategic networking opportunities.

**The future of maritime innovation starts with your registration.**

## YOUR SEAMLESS TRAVEL & STAY STARTS HERE

Our team is here to make your Marintec China 2025 experience smooth and enjoyable from start to finish. From travel arrangements to hotel bookings, our trusted partners are ready to assist, so you can focus on what matters most: the event.

## Marintec is Going Greener, and You're Invited to Be Part of It

At Marintec, sustainability is more than a goal — it's a commitment. Through our #MarintecCares initiative, we're taking meaningful steps to reduce our environmental impact. From reducing stand-building materials and using recycled resources to going digital instead of print. Together, we're creating a more sustainable, inclusive, and forward-thinking exhibition experience.

**Join us in making a difference.**

## SPECIAL EVENTS THAT POWER THE PULSE OF MARINTEC

Beyond the exhibition floor, Marintec China 2025 presents a dynamic lineup of special events from high-level forums and themed conferences to interactive showcases and networking sessions, these highlights bring together global thought leaders, disruptors, and decision-makers in one powerful arena.

And that's just the beginning—alongside the official programme, Marintec also features a wide range of exhibitor-led activities, partner events, and informal gatherings throughout the week, offering even more opportunities to connect, learn, and explore.

**Join us at Marintec China 2025 and be part of the global momentum driving maritime innovation forward.**

## ONE REGISTRATION, TWO PREMIER EVENTS – DOUBLE THE INSIGHT, ONE SEAMLESS EXPERIENCE

Unlock full access to the Senior Maritime Forum and Marintec Innovation – Energytec with a single registration. Whether you're shaping the future of shipbuilding or driving the energy transition, this is your gateway to the industry's most influential conversations.

### SENIOR MARITIME FORUM

#### Smart Navigation, Green Symbiosis, Convergent Innovation

1-4 December 2025 | Kerry Hotel Pudong, Shanghai

A vital platform for exchanging knowledge, engaging with policymakers, and advancing sustainable growth across the maritime ecosystem. This high-level forum convenes global stakeholders to address the industry's most pressing challenges.

#### Session Breakdown

|                 |   |
|-----------------|---|
| Dec 1 afternoon | Marine Equipment & Technology Forum (exhibitors only) |
| Dec 2 afternoon | Keynote Address by industry leaders                   |
| Dec 3 morning   | Shipbuilding and Ocean Engineering                    |
| Dec 3 afternoon | Shipping and Ports                                    |
| Dec 4 morning   | Marine Finance and Law                                |

### MARINTEC INNOVATION – ENERGYTEC

#### Alternative Energy Sources and the Supply Chain Support

2-5 December 2025 | MINO Zone, Hall N4, SNIEC

As the centrepiece of Marintec Innovation 2025, Energytec accelerates the transition to low- and zero-carbon energy solutions through focused sessions. Each panel brings together key stakeholders to explore alternative energy sources and their implications for future green maritime practices.

#### Session Breakdown

|                 |  |
|-----------------|--|
| Dec 2 afternoon | Keynote Address                          |
| Dec 3 afternoon | Fuels: Ammonia, Methanol, LNG & Biofuels |
| Dec 3 afternoon | Electrification                          |
| Dec 4 afternoon | Natural Sources: Wind & Solar            |
| Dec 4 afternoon | Nuclear Power                            |

**Don't wait for the future to arrive, be part of shaping it today.**

### MARINTEC CRUISE INTERIORS

#### Comfort, Culture, Innovation at Sea

2-5 December 2025 | MINT Zone, Hall N3, SNIEC

Step aboard the future of cruise ship design at Marintec Cruise Interiors, a dedicated zone celebrating excellence in interior innovation tailored to the evolving expectations of Asian travellers. From luxurious aesthetics to culturally inspired design, this creative hub brings together the best in comfort, functionality, and maritime artistry.

#### Special thanks to our event supporters:

**API** – Flooring Solutions Partner

**Mapei** – Coatings and Finishes Partner

**Foreship** – Design Partner for the spectacular Marintec Cruise Bow, a showpiece created to deliver an unforgettable passenger experience for all attendees.
